

I am writing to amend the April 20th Report of Prairie Political Action Committee. Four contributions to federal candidates were incorrectly designated to the General Election. These should have been designated to the Primary election. They are:

Daskas for Congress

Friends of Dan Maffei

Martin for Senate

Udall for Us All

I am submitting an amended April 20th report with these corrections.

Thank you for your attention to this matter

Sincerely,

Michael E. Daly

Treasurer
